

A4

Sedan | Avant

**Introducing the entirely new Audi A4.
Progress is beautiful.**

Top to bottom, side-to-side, the 2009 A4 embodies the past, present and a healthy infusion of the future. It's the new paradigm for luxury and performance.

Comfort with a penchant for performance.

Luxury is the sum of details exquisitely executed. And the A4 interior is replete with just such details. Meticulously stitched leather seats are more than comfortable, they're supportive—bolstering you when and where it's critical.

**For those insisting on pushing the envelope,
we'd like to introduce a new envelope.**

It's virtually unheard of to increase fuel efficiency in tandem with increasing power, but that's exactly what we've done with the new A4.

Whether you opt for the 3.2 liter V6 or the 2.0 T, you'll quickly come to appreciate the efficiency of Audi engine technology. However, you'll appreciate the increase in power the very first time you press the accelerator.

**Plant your foot, turn the wheel.
It's 100% pure Audi Avant.**

A4. Premium

- 1. Leather seating surfaces** | The 8-way power adjustable leather seats for the driver and passenger also includes 4-way power lumbar support for the driver.
 - 2. Sunroof** | The sunroof provides the A4 Sedan with natural light and a continuous flow of fresh air within the cabin. Equipped with the Open Sky system, the large, two-piece panorama sunroof offers a refreshingly airy driving experience [Open Sky System Avant only].
 - 3. 17" 6-spoke alloy wheels with all-season tires** | The 6-spoke design and finish complement the elegant and powerful lines of the A4. The lightweight alloy helps to improve driving dynamics.
 - 4. Audi Concert with color display screen and SIRIUS® Satellite Radio** | Audi Concert features the Audi Sound System with 180 watts of power and 10 total speakers, including two in each door, a subwoofer above the rear seat and a center fill speaker. It also offers a CD player, aux input and an SD® card slot with MP3 capability. The Radio Data System [RDS] on the color screen displays several types of FM radio information, as well as SIRIUS® Satellite Radio information. And the Graduated Audio Level Adjustment [GALA] ensures optimal volume levels as cabin noise increases with speed.
 - 5. 4-spoke multi-function leather steering wheel** | The unique steering wheel roller-interface controls let the driver operate various functions without taking their hands off the wheel: volume, radio stations, CD tracks, navigation voice prompts, telephone dialing and the voice control system.
- + **Automatic climate control** | The climate is easily controlled through the center console, while an ambient light sensor on the dashboard adjusts the system based on the sun's intensity.
- + **MMI®** | The Multi-Media Interface includes a 6.5-inch color monitor and is located in the upper part of the center console in easy view. The large screen displays information from the audio and air conditioning systems as well as from the CAR menu, where the customer can configure many functions.
- + **option**
Bluetooth® | The Bluetooth® hands-free phone interface allows you to pair a Bluetooth-enabled mobile phone with your Audi and access your phonebook within the driver information display in your instrument panel. For specific compatibility and operation instructions, refer to audiusa.com/bluetooth or contact your local Audi dealer for the latest listing of compatible phones.
- + **option**
HomeLink® universal garage door opener | HomeLink® is integrated into the overhead controls and uses a simple 3-button system that controls garage doors, gates and even lights in the home.
- + **option**
Audi Symphony | Audi Symphony features AM/FM stereo with a 6-disc in-dash CD player and one SD® card slot with MP3 capability. The Radio Data System [RDS] displays several types of information about FM radio, including station, track and artist. Graduated Audio Level Adjustment [GALA] ensures optimal volume levels as cabin noise increases with speed.
- + **option**
Audi music interface | Audi music interface offers intelligent integration with the iPod®. Any iPod Generation 4 and higher [iPod, iPod nano, iPod photo] equipped with the Dock Connector may be connected through the glove box, and full iPod controls are available through the MMI screen.
- + **option**
Heated front seats | The multi-level seat heating system is designed to heat the entire surface of the seat; warming is initiated with a convenient switch.

+ Feature not shown. + **option** Option not shown.

A4. Premium Plus

1. Bi-xenon headlamps with LED daytime running lights | Bi-xenon headlights produce about twice as much light as comparable halogen headlights and make night driving, particularly in poor weather, less tiring for the driver's eyes with improved visibility.

2. 17" 10-spoke alloy wheels with all-season tires | The 10-spoke star design is a refined choice matching the sophistication of the A4 Premium Plus model. Additionally, the lightweight alloy helps to improve driving dynamics.

3. Audi music interface | Audi music interface offers intelligent integration with the iPod®. Any iPod Generation 4 and higher [iPod, iPod nano, iPod photo] equipped with the Dock Connector may be connected through the glove box, and full iPod controls are available through the MMI screen.

4. Bluetooth® | The Bluetooth® hands-free phone interface allows you to pair a Bluetooth-enabled mobile phone with your Audi and access your phonebook within the driver information display in your instrument panel. For specific compatibility and operation instructions, refer to audiusa.com/bluetooth or contact your local Audi dealer for the latest listing of compatible phones.

5. Automatic 3-zone climate control | Both driver and front passenger as well as the occupants of the rear seats can select their individual temperature and air distribution. An ambient light sensor on the dashboard adjusts the system based on the sun's intensity.

6. Autodimming interior mirror with compass | The rearview mirror with compass recognizes distracting bright light behind the car and darkens the mirror glass automatically.

7. HomeLink® universal garage door opener | HomeLink® is integrated into the overhead controls and uses a simple 3-button system that controls garage doors, gates and even lights in the home.

+ Rain/light sensor | Embedded sensors detect the level of ambient light and automatically turn on the headlights if needed. The rain sensor offers the same convenience when it comes to precipitation –automatically adjusting the rate of sweep to the level of moisture.

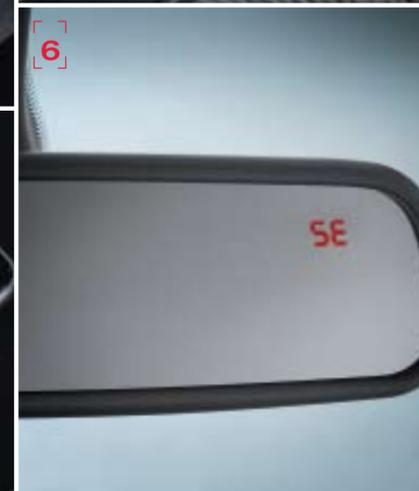

+ Driver Information System | At the center of the instrument cluster is the Driver Information System with trip computer. Here, the driver has access to an array of data, including outside temperature, real-time fuel economy, remaining miles per tank and a host of other valuable information.

+ Heated front seats | The multi-level seat heating system is designed to heat the entire surface of the seat; warming is initiated with a convenient switch.

+ Audi Symphony | Audi Symphony features AM/FM stereo with a 6-disc in-dash CD player and one SD® card slot with MP3 capability. The Radio Data System [RDS] displays several types of information about FM radio, including station, track and artist. Graduated Audio Level Adjustment [GALA] ensures optimal volume levels as cabin noise increases with speed.

8. option Navigation Package with camera | The DVD-based Audi Navigation system features voice control and rear back up camera. Additionally, navigation information is given as audible route guidance prompts and turn arrows on the Color Driver Information System, as well as a detailed color map on the main screen.

+ A4 Premium Plus includes equipment found on the A4 Premium model except where upgrades apply.

A4. Prestige

1. Bang & Olufsen sound system | The Bang & Olufsen sound system includes 14 speakers with 505 digitally amplified watts and surround sound reproduction. Microphone-based noise compensation ensures optimum sound under varying road conditions and speeds.

2. Advanced key | With Advanced key, the car can be unlocked and started without removing the key from a pocket or purse. At the same time, the steering is released and the ignition turned on electronically—all without inserting the key in the ignition.

3. 18" 5-spoke alloy wheels with all-season tires | The 5-spoke alloy wheel's progressive design is matched to the dynamic elegance of the A4. The lightweight alloy also helps to improve driving dynamics.

4. Audi side assist | Audi side assist system monitors the blind spot areas, as well as fast-approaching vehicles at a range of about 150 ft. to the rear of the car. If Audi side assist identifies another vehicle, it informs the driver via an LED light in the exterior mirror.

5. option Audi drive select | Audi drive select offers your Audi four distinct driving configurations: comfort, auto, dynamic and individual—all available through the MMI [Multimedia Interface].

+ option Navigation Package with camera | The DVD-based Audi Navigation system features voice control and rear back up camera. Additionally, navigation information is given as audible route guidance prompts and turn arrows via the Color Driver Information System, as well as a detailed color map on the main screen.

+ option Adaptive cruise control | Among other features, Adaptive cruise control monitors distance to the vehicle in front via radar sensors and automatically reduces speed as well as resumes speed to maintain the driver-selected safe distance.

+ Power tailgate | The tailgate conveniently opens and closes with the touch of a button. The desired opening height can also be individually adjusted. [Avant only]

+ Audi parking system | This allows for greater ease in parking by alerting the driver via intermittent audible tones indicating the distance to the nearest obstacle. Also available with a rearview camera.

+ A4 Prestige includes equipment found on the A4 Premium + A4 Premium Plus model except where upgrades apply.

Sport Package

- 1. Sport seats** | The 8-way power adjustable sport seats in the front of the A4 offer greater lateral support thanks to higher density padding in the more prominent bolsters. The seats offer 4-way power lumbar support for the driver.
- 2. Sport steering wheel** | The 3-spoke leather-covered multi-function steering wheel provides easy access to audio volume, radio stations, CD tracks, navigation voice prompts, telephone dialing and the voice control system.
- 3. Shift paddles** | Tiptronic models equipped with the Sport Package receive shift paddles in the 3-spoke steering wheel that allow effortless, race-inspired gear shifting that keeps the driver's hand on the steering wheel.
- + Sport suspension** | For those who plan to drive in a more sporty fashion, the Sport Package includes a firmer, lower suspension. The 5-link suspension has been specially sport-tuned to perform without sacrificing passenger comfort.
- 4. option**
19" wheel from quattro GmbH with summer-performance tires | The 19" wheel option enhances its progressive sportiness. The quattro GmbH dynamic design is optimized by summer-performance tires. 19" wheel Package available only with A4 Prestige Package.
- 5. option**
18" wheel from quattro GmbH with summer-performance tires | The Sport Package wheel option adds an athletic feel to the A4. The quattro GmbH dynamic design complements the sport suspension and is optimized by summer-performance tires. 18" wheel Sport Package available only with A4 Premium + A4 Premium Plus Packages.

additional options Available on all A4 models.

- + option**
Rear side airbags | Offers rear seat occupants enhanced impact protection.

A4. S line Package

S line available on A4 Prestige Sedan and Avant

1. Exterior features | The visually compelling features in the S line Package include more aggressive front and rear bumpers with dynamic air inlets and rear diffuser. Side rocker moldings accent the already taut, stylish lines. S line badges are applied to the front side panels and door sill trim.

2. 19" wheel from quattro GmbH with summer-performance tires | The S line wheel option enhances its progressive sportiness. The quattro GmbH dynamic design is optimized by summer-performance tires.

3. Sport seats | The 8-way power adjustable S line seats in the front of the A4 offer greater lateral support thanks to higher density padding in the more prominent bolsters. The seats offer 4-way power lumbar support for the driver.

4. Sport steering wheel | The S line Package includes a multi-function, 3-spoke leather-covered steering wheel with contrast-color stitching and the S line badge. It also allows audio volume control, radio station and CD track selection, navigation voice prompts and telephone dialing.

5. Interior features | S line interior touches are anchored with brushed aluminum inlays throughout the cockpit, extending into the rear. These are contrasted with an elegant black headliner that matches the interior.

+ Sport suspension | For those who plan to drive in a more sporty fashion, the S line Package includes a firmer, lower suspension. The 5-link suspension has been specially sport-tuned to perform without sacrificing passenger comfort.

+ Shift paddles | Tiptronic models equipped with the S line Package receive shift paddles in the 3-spoke steering wheel that allow effortless, race-inspired gear shifting that keeps the driver's hand on the steering wheel.

A4. Wheels

1. Premium Wheel

17" 6-spoke alloy wheel with all-season tires | The 6-spoke design and finish complement the elegant and powerful lines of the A4. The lightweight alloy helps to improve driving dynamics.

2. Premium Plus Wheel

17" 10-spoke alloy wheel with all-season tires | The 10-spoke star design is a refined choice matching the sophistication of the A4 Premium Plus model. Additionally, the lightweight alloy helps to improve driving dynamics.

3. Prestige Wheel

18" 5-spoke alloy wheel with all-season tires | The 5-spoke alloy wheel's progressive design is matched to the dynamic elegance of the A4. The lightweight alloy also helps to improve driving dynamics.

4. 18" Sport Package Wheel

18" wheel from quattro GmbH with summer-performance tires* | The Sport Package wheel adds an athletic feel to the A4. The quattro GmbH dynamic design complements the sport suspension and is optimized by summer-performance tires. 18" sport wheel is available with A4 Premium or A4 Premium Plus vehicles equipped with Sport Package.

5. 19" Sport Package | S line Wheel

19" wheel from quattro GmbH with summer-performance tires* | The 19" wheel enhances the A4's progressive sportiness. The quattro GmbH dynamic design is optimized by summer-performance tires. 19" sport wheel is available with A4 Prestige equipped with Sport Package, or S line Package.

*Summer-performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tires specified for your car or its equivalent. These summer-performance tires also have a lower aspect ratio that aids performance and handling; however, in order to avoid tire, rim or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at recommended levels. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces, or upon encountering road debris or obstacles. Please also remember in making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices. For more information on all of these topics, please consult the owner's manual, your local dealer or call 1-800-FOR-AUDI.

A4 Variants. 2009 Specifications

The sum of some very impressive details.

A complete end-to-end redesign of the entirely new A4 makes it worthy of a whole new class. From technological improvements to enhanced design, to numerous performance upgrades, the 2009 A4 embodies the essence of Audi.

A4 Standard Equipment

A4 2.0 T	A4 3.2		
S	S	S	Front suspension: Five-link with upper and lower control arms, stabilizer bar and separate coil springs/shock absorbers [gas-charged]
S	S	S	Rear suspension: Fully independent trapezoidal-link with stabilizer bar and separate coil springs/shock absorbers [gas-charged]
S	S	S	Servotronic® vehicle speed-sensitive power steering; turning circle: 37.4 ft.
S	S	S	Fully galvanized steel unibody with multi-step anti-corrosion protection

A4 2.0 T	A4 3.2	A4 2.0 T Avant	Safety & Security
S	S	S	Tire-pressure monitoring system
S	S	S	Anti-lock brake system with power assist Electronic Brake-pressure Distribution [EBD], hydraulic Brake Assist and disc-wiping
S	S	S	Sideguard® head protection airbags for front and rear occupants*
S	S	S	Driver and front passenger dual-stage and dual-threshold airbag supplemental restraints with occupant sensor*
S	S	S	Driver and front passenger seat-mounted chest side airbags*
S	S	S	Front three-point safety belts with automatic pre-tensioning
S	S	S	Three rear head restraints
S	S	S	Power central locking system with safety unlock feature if airbag deploys
S	S	S	Lower Anchors and Tethers for Children [LATCH] in rear seats
S	S	S	Reflectors in rear of all doors
S	S	S	Height-adjustable seat belts

* Airbags are supplemental restraints only and will not deploy under all accident circumstances. Always use safety belts and seat children in the rear, using restraint systems appropriate for their size and age.

** Your Audi vehicle is equipped with a phone preparation utilizing Bluetooth interface to enable hands-free functionality (compatible mobile phones sold separately). You will need a Bluetooth-enabled mobile phone in order to utilize this function. Not all Bluetooth-enabled mobile phone models are compatible with Audi's phone preparation. Visit audiusa.com/bluetooth, or contact your local Audi dealer for the latest listing of compatible phones. Audi recommends use of the Audi phone cradle (sold separately) with your mobile phone while operating this vehicle.

† Audi Navigation plus depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destination and other points of interest. Changes in street names, construction zones, traffic flow, points of interest and other road system changes are beyond the control of Audi of America, LLC. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgement in determining whether or not to follow a suggested Audi Navigation plus route. Periodically the mapping is updated and a new DVD will be required in order to maintain the latest navigation information available to us. These will be available for purchase from time to time at additional cost. Consult your dealer or call 1-800-FOR-AUDI for details.

‡ Summer-performance tires are designed for optimum performance and handling in warm climates. They are not suitable for cold, snowy or icy weather conditions. If you drive under those circumstances, you should equip your vehicle with all-season or winter tires, which offer better traction under those conditions. We suggest you use the recommended winter or all-season tires specified for your car or its equivalent. These summer-performance tires also have a lower aspect ratio that aids performance and handling; however, in order to avoid tire, rim or vehicle damage, it is important that the inflation pressure is regularly checked and maintained at recommended levels. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces, or upon encountering road debris or obstacles. Please also remember in making your selection that, while these tires deliver responsive handling, they may ride less comfortably and make more noise than other choices. Finally, these tires may wear more quickly than other choices. For more information on all of these topics, please consult the owner's manual, your local dealer or call 1-800-FOR-AUDI.

A4. Industry Accolades

**If all of this wasn't enough to convince you,
perhaps a visit to your nearest dealer will.**

*"With the drive select functions, the A4 becomes
a couple of different cars in one, and we enjoy them both."* - MATT DAVIS, WINDING ROAD

*"The interior is simply fantastic. A8 and R8 customers, let alone A4 owners,
will feel at home. The comfort level is incredible, and the quality of the materials looks great.
Audi's string of gorgeous interiors continues unbroken."* - WES RAYNAL, AUTOWEEK

*"...it's a car that wants to be known as much for its drive habits as
for its traditional handsome looks inside and out."* - MATT DAVIS, WINDING ROAD

"Audi A4. Understated, yet elegant." - MATT DELORENZO, ROAD & TRACK

*"The rear end is tidy and clean,
in keeping with the car's elegant, yet understated design ethos."* - MATT DELORENZO, ROAD & TRACK
